Dear Mr. Lindblade,

I am happy to acknowledge your reception report indicating that you received WPGM/1570 Radio on May 7th.

There are several inaccuracies in your report, but there is enough essential information for me to confirm your reception.

First of all, the correct time of your reception was 7:02-7:03 a. m. EDT, not 6:02-6:03 a. m. Your wording of our sign-on announcement is a bit garbled in places, but it's close enough.

Years ago someone picked us up in Iowa. That makes yours one of the two most distant we have ever received.

Sincerely,

Larry Souder

P. S. The delay in your receiving this letter is due to the fact that we misaddressed the original envelope. Your letter was returned by the Post Office, and we had to look up your correct address.
